

The smallest part you make... can help someone get back in the competition

The human body is an extraordinary, versatile machine consistently responding to our demands. Injuries to this complex skeletal system may require the ultimate in surgical precision, using precisely machined surgical devices to help someone get back in their game. Your pride and satisfaction is in knowing you played a part in extending their fullness of life. Star's pride is in consistently providing the highest quality performance machines to help you compete, while also helping others. Star is proud to present our newest model, ECAS-20T – a high-precision Swiss turning CNC machine – providing increased accuracy, exceptionally high productivity and unmatched operability... for maximum efficiency, giving you the competitive advantage in your arena.

**We understand it's not just a part,
it's a part of life.**
